- Mobility country - **Latvia**
- Receiving university/company - **Alberta College**
- Activity – **training mobility**
- Duration of mobility period - **13.04.-17.04.2026.**

My Erasmus Experience at Alberta College, Riga

Our Erasmus mobility experience in Riga, Latvia, was a truly valuable and inspiring journey. We traveled as representatives of the Financial Department of European University, and the main purpose of our visit was to strengthen international cooperation, exchange professional

knowledge, and gain new

experience from our colleagues at Alberta College.

From the first day, we were warmly welcomed by the staff of Alberta College. During our meetings, we had the opportunity to visit their Financial Department, where we discussed the organization of financial processes, administrative systems, and daily work practices. It was very interesting to compare the methods used at our university with those used at Alberta College.

We also attended a conference dedicated to the Erasmus exchange program and listened to a presentation about Alberta College. At the end of the program, we were awarded certificates.

In addition to the professional activities, we had free time to explore Riga and also visited Jurmala. Overall, our Erasmus experience was productive, educational, and unforgettable.
